

Ispravka/Errata

Authors ask the Editorial Board of the Journal MEDICAL DATA to correct these mistakes in the next issue of the journal and to publish the following:

We apologize for some mistakes in the article „Dispersive microextraction for the GC analysis of some endocrine disruptors“ by Valentina Levchik, Tatiana Fomenko, Maryna Zui, Vladimir Zaitsev, that was published in **#1 issue of Journal MEDICAL DATA, Vol.5., 2013.**

Figures 5 and 6 are incorrect, the corrected figures 5 and 6 are represented below (see the attached files).

On behalf of the authors Maryna Zui

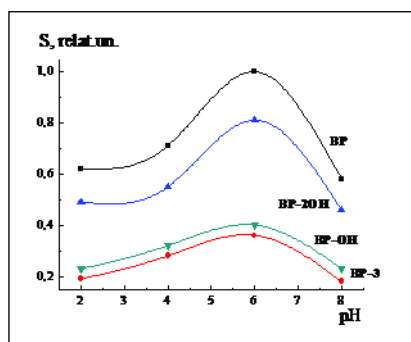

Fig.5. Effect of pH on the DME of benzophenones.

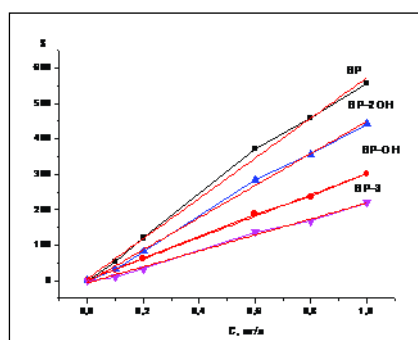

Fig.6. Calibration curves for benzophenones (after DME).
