ISPRAVKA

CORRECTION

Technical mistake printed in Vol.2, No.4, pp 313-316

Sir,

The authors of the paper entitled "Fusion of microscopic images" (printed in Vol.2, No.4, pp.313-316) have made a technical mistake and submitted an incomplete version of the article. In the published paper references [A1] and [A2] are not listed as well as an acknowledgment.

Acknowledgment

The authors wish to acknowledge the Group for Digital Image, Telemedicine and Multimedia of the Faculty of Electrical Engineering, University of Belgrade, for considerable assistance and valuable suggestions. This assistance was crucial in experimental work and in forming the concept of our article.
